

Johannes Bjerva

Professor of Natural Language Processing at Aalborg University.

jbjerva@cs.aau.dk | [AAU Research Portal](#) | [Online CV](#)

Appointments

Oct 2024-	Full Professor Department of Computer Science, Aalborg University
Jul 2021 - Sep 2024	Associate Professor Department of Computer Science, Aalborg University
Aug 2020 - Jul 2021	Assistant Professor, tenure track Department of Computer Science, Aalborg University
Sep 2017 - Aug 2020	Postdoctoral Researcher Department of Computer Science, University of Copenhagen

Education

2017	PhD, Natural Language Processing University of Groningen
2013	MA, Computational Linguistics Stockholm University
2012	BA, Computational Linguistics Stockholm University

Selected leadership

2025-	Head of the Copenhagen Section Department of Computer Science, Aalborg University
2025-	Research Leader for Natural Language Processing AAU-NLP, Department of Computer Science
2025-	Lab Director and Principal Investigator, AI:SECURITY AAU AI:X Labs · Co-led with Qiongxu Li
2023-2025	Team Lead for Copenhagen Department of Computer Science, Aalborg University
2022-2025	Lead, precursor NLP group Informal leadership before AAU-NLP was formally established

Selected research funding

2026	Formal Semantic Methods for AI Safety Coefficient Giving · DKK 2.4M
2025	TRUST Independent Research Fund Denmark · Sapere Aude · DKK 6.2M
2025	AI:SECURITY AI:X Labs · Aalborg University · ≈ DKK 7M (total award; 50% · co-led)
2024	(LM)²-SEC Novo Nordisk Foundation · DKK 9.9M
2024	Guarantees of Factuality in LLM-based Extraction of Financial KPIs Innovation Fund Denmark · DKK 1.1M
2024	Digital Twins for Abundant Feedback Villum Foundation · Synergy · DKK 3M (total award; 50% · co-led)
2023	Google Award for Inclusion Research · CREOLE DKK 425k
2022	Multilingual Modelling for Resource-Poor Languages Carlsberg Foundation · DKK 5M

Selected academic service

2026-	Action Editor <i>Computational Linguistics</i>
2026	Area Chair NeurIPS
2024-	Associate Editor <i>Data Science and Engineering</i>
2024-	Area Chair ACL Rolling Review

Memberships, policy & recognition

2025-	Member European Laboratory for Learning and Intelligent Systems (ELLIS)
2025	Working Group Chair <i>Use of AI in Science for Policy</i> , SAPEA / EC Scientific Advice Mechanism
2025-2028	Committee Member Industrial Researcher Committee, Innovation Fund Denmark
2023-2025	Member The Young Academy (Det Unge Akademi)
2021	Teacher of the Year Department of Computer Science, Aalborg University
